

Bournville College:

Meet the Scientist event

13th & 14th March

Come and find out more about science and engineering careers from STEM ambassadors from a wide range of industries. There will be interactive and hands on activities to engage and inspire budding scientists and engineers.

IT, Business Administration and Engineering taster day

29th March

A range of IT, Business Administration and Engineering tasters offered throughout the day.

Supported Learning

17th March

Supported learning tasters aimed at those working at Entry 1, 2, 3 and Level 1 and have learning difficulties/disabilities. There will be a wide range of subjects offered on the day.

Moseley Rugby Club taster

27th March

Activities based around rugby coaching and player profiling. Sportswear and trainers are required for this taster.

Public Services

27th March

A taster looking at leadership and team building skills designed to get students thinking about careers within the public services.

South and City College:

Music- Jools Holland Show

28th March

Digbeth Campus

A unique opportunity to have a close look at the exciting world of live music TV. All the technical aspects such as lighting, sound, cameras and live editing will be done by our students. This is a mock-up of full TV show in the style of 'Later with Jools Holland' and features three stages with a host, short interviews and performances from our students.

Life Sciences

17th March

Hall Green or Bordesley Green Campus

An opportunity to find out more about careers in Science. Students will get to look at forensics through a finger print activity and much more.

Sports and Public Services/Criminology

15th March

Bordesley Green campus

A taster aimed at future sports coaches, personal trainers or police officers. The taster is based around sports fitness testing, team building and practical skills.

Hair and Beauty

24th March

Hall Green or Handsworth Campus

An introduction to the Hair and Beauty industry with an exclusive talk from an employer and fun competitions around demonstrations.
