NCOP Journey To Date (Bartley Green)

Activity/Intervention	Status	Pupils Involved	Measures of success
Get Moving Event	28 th Feb	Yr 9/10 Pupils (30 Pupils)	Held at WBA and their community sports hall, Pupils took part in practical activities led by Medical Mavericks, a tour of the football club and their facilities. Furthermore, pupils looked at different careers in sport being explored through a session on sport in education. Opening eyes to more than just becoming a Footballer.

NCOP Journey To Date (Bartley Green)

Why The School Wanted To Get Involved

“Bartley Green School decided to get involved with AimHigher because we are very serious about social mobility in school and work hard to provide opportunities for all of our pupils to be the best they can be. We realised that AimHigher could help us provide opportunities for our pupils that they may not normally have that would support and inspire them to continue in education as far as they could.”

Terry Fallows
BGS Co-ordinator

Before Aimhigher Plus

““ *“For some time now we have planned and delivered quality intervention, aspirational sessions and guidance. However no matter how good the in school provision is the impact on FE and HE uptake is not significant enough.”*

Dave Clayton
Senior Deputy Head & Specialist
Leader in Education for B&A
Bartley Green School

After Aimhigher Plus

“We are delighted to be involved in the AimHigher Programme, this has refocussed our efforts. Our task is to add cultural capital and impact on the desire, willingness and resilience of our pupils to achieve their very best in life. With the support from Aimhigher we feel that our tool box is now much bigger and we can now make strides into making a true and lasting impact on social mobility in our area.”

Dave Clayton
Senior Deputy Head & Specialist
Leader in Education for B&A

A Challenge We Faced (Bartley Green)

Aimhigher Events:

BGS was aware of the volume of amazing Aimhigher activities on offer to the school.

The Challenge was:

In school, making sure that the correct procedures have been completed for the withdrawal of pupils from school. Due to the volume of events we came up with a step by step process.

OUR PROCESS

1. SLT
Approval

2. Trip Form

3. Creating
Documentation

What's Worked Well (Bartley Green)

SpeakersTrust

Aimhigher Event (14/02/18)

- **50** Year 10 Pupils took part. It was great to see pupils choosing a topic of their own choice to speak passionately about.
- Main Aim – To give pupils the skills and vital experience to confidently talk in front of their peers for their English Speaking and Listening Exam
- Six Winners from the day! All of them will battle it out again at an event held here at Newman University (Date TBC)

- Aston University & Ed education Presentation (12th March)
- AQA A Level Sociology/Star city trip (13th March)
- Royal Shakespeare company workshop (14th March)
- Acker's (8th may)

A Challenge We Faced (Waseley Hills)

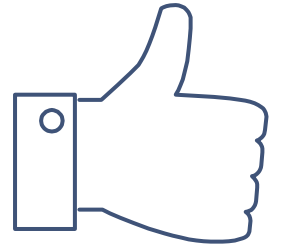

The Challenges :

- Lower NCOP numbers in sixth form.
- Creating interventions for resilience.
- Heavily bureaucratic system in place.
- Students are heavily timetabled and low staff support on trips.

**THANK YOU FOR
LISTENING**

Any questions?
