

My Tutor

2019 Results

+ 1
GRADE
INCREASE

between their mock and actual results if students attended 10-12 sessions

The My Tutor programme supports learners aspirations to further their educational journey by improving attainment and supporting their ability to gain a grade 4 or above in key subjects.

Learners take part in one to one tutoring via an interactive online learning platform where they can talk to their tutor, share documents and use interactive resources to reinforce their learning and solve problems together.
