

PRE AND POST MENTORING ASSESSMENT 2021-22

Learner Name	
Mentor Name	
School	

***Please note that throughout this form 'higher education' refers to both university degrees and higher/degree apprenticeships**

Future Plans	Yes	No	Not Sure
Go to sixth form/college <i>(only applicable for years 7-11)</i>			
Go to higher education <i>(includes a degree or higher level/degree apprenticeship)</i>			
Start work			
Start a traineeship or lower level apprenticeship			
Start voluntary work or work experience			
Do you currently have a specific career/job in mind? <i>If 'yes', please specify:</i>			

Higher Education: Your current views	Definitely will apply	Very likely	Fairly likely	Not very likely	Not at all likely	Definitely won't apply	Don't know
I plan to go into higher education <i>(e.g. degree or higher level/degree apprenticeship)</i>							

What are the main reasons you might not go into higher education?	Tick if yes	Tick if yes
Having school qualifications is enough		I am not academic enough
I have decided on a specific career (that does not require further study)		Higher education does not appeal to me
I want to work and earn money		I want to travel
The cost of higher education is too much		I am as yet undecided about higher education
It depends on the grades I get		There is not a university close enough to home
There aren't any higher/degree apprenticeships available in my area		Higher/degree apprenticeships are too competitive

How much do you know about higher education study?	A Lot	A fair bit	A little	Nothing at all	Don't know
Different routes into higher education such as: higher apprenticeships, distance learning, or higher education in a further education setting					
What courses are available at universities					
How to apply to university through UCAS					
What higher/degree apprenticeships are available					
How to find and apply for higher/degree apprenticeships					
The qualifications / grades I would need to get into the higher education course that I am most interested in					
What life would be like at a university					
What life would be like as a higher/degree apprentice					
How higher education leads to careers that I may be interested in					
The costs associated with higher education study					
The financial support available to study in higher education					

How much do you agree with the following statements about higher education?	Strongly agree	Agree	Neither agree or disagree	Disagree	Strongly disagree	Don't know
I know enough about higher education to decide whether to go or not						
I would fit in well with others if I went into higher education						
I am clear on which higher education course/subject to apply for						
I am clear on which higher education institutions I want to apply for						
I could cope with the level of study required for higher education						
I will earn more in the future as a result of higher education						
I will get a better job as a result of higher education						
If you are clear on which higher education course/subject to apply for then please specify						

Score each topic below to reflect the amount of help or support you now feel you need	Less support	A little less support	Support just right	A little more support	More support
1. Exploring different careers					
2. Exploring higher education options					
3. Exploring other education options					
4. Improving my study, revision and exam skills					
5. Making the most of time at school / college					
6. Making the most of time outside school / college					
7. Developing my confidence / motivation to succeed					
8. Other					

This section is only to be completed at the end of the Mentoring Scheme.

Satisfaction with the Mentoring Scheme

How satisfied are you with the support/guidance you have received from the mentoring scheme?

Very Satisfied Satisfied Not Sure Dissatisfied Very Dissatisfied

Please provide an explanation for your answer? (e.g. what has worked well, has the scheme benefited you, do any improvements need to be made)

How has mentoring helped me?

With your mentor discuss your responses to the questions over the page and the responses you made to the same questions at the start of the scheme in the pre-mentoring assessment. Comparing your pre and post mentoring assessment will help you and your mentor see how much the mentoring scheme has helped you.
