

Accommodation Information

Pupils will be staying at **Peter Scott House** which is owned by the University of Birmingham and is part of their Edgbaston campus. See mark on map below.

The full address is as follows:

Peter Scott House, Edgbaston Park Rd, Birmingham B15 2RA

Pupils will be required to share a room with another pupil **of the same gender** and although we will endeavour to ensure they are paired with a pupil from the same school, we cannot commit that they will always be able to choose these pairs.

We will try to ensure where possible that the genders are split between floors, but there will be staff and ambassadors staying in rooms in the middle to split genders where this cannot be the case. See code of conduct for rules around accommodation for pupils.
